What did you like and dislike about section or lab?

I liked how it wasn't the same thing every day. He switched up the format. I liked how every section was a different type of activity and it wasn't just more lecture.

Did the TA help you in any particular way during the semester (with papers/assignments/exam prep etc)? If so, how?

Schroab answered some questions I had, and was very helpful when I accidentally mixed up 2 homeworks.

What are the TA's strengths? In what ways do you feel the TA needs improvement?

He is very good at communicating the material

He needs to be louder

What suggestions would you make to the TA for future teaching?

Less strenuous homework
