## 14 - Did the TA help you in any particular way during the semester (with papers, assignments, exam prep, etc.)? If so, please describe how.

#### **Response Rate** 4/24 (16.67%)

• My TA helped me with prompt questions on both exams and excellent feedback during recitation questions

· He helped me to better understand topics discussed in class.

• He was always willing to help whenever someone needed it. Encouraged everyone to participate and was fair on explaining ideas

The TA was great at helping us understand the material before the quiz

#### 15 - What were the TA's strengths?

Response Rate 5/24 (20.83%)

Personability

· Relating the content to the students in an engaging and memorable way.

· Creating a good environment to induce conversation among students.

• Probably one of the best TAs I had in my four years. He was always ready for class and explained everything clearly. Was ready to help for anything. His best strength was his knowledge and how he used it to connect with everyone in class.

· He was very knowledgeable on the concepts
